

## Mr. Done's thought of the week

What a fabulous half term it has been: from a whole school trip to Chester Zoo to learning how to save lives in Enrichment - it has been packed full of new learning and building knowledge for all pupils.

Every child in every class has been working hard this term to learn more - I am so proud of all the staff and pupils for their commitment and dedication each day towards excellence.

Thank you for your support and have an enjoyable half term break.  
 We look forward to seeing you when we return.

### Diary Dates

#### *Half Term*

Mon 14th Feb – Fri 18th Feb

#### **Year 1 class assembly**

Wed 23rd March 2.45pm  
 (Parents welcome to attend)

### Wear Red Day

Thank you to all children who came to school dressed in red today to raise funds for a defibrillator to be fitted at school.

We are delighted to confirm that with the help of some very generous donations from our Masefield families, we have now surpassed our target amount of £450!! The extra money we have received will be donated to a charity chosen by the fundraising enrichment group.

We will be sure to keep you all updated on the progress of the defibrillator installation after half term. Thank you!

### TAP APP

Masefield is now using TAP (Thank and Praise)

A social platform in which parents and carers can send messages of thanks to staff at school!

These will be displayed in our staffroom for everyone to read. The platform has been designed to enhance wellbeing and staff morale and gives parents a chance to show their appreciation for any member of staff they feel deserve some praise for everything they do!

Just search 'TAP Thank and Praise' On the app store.

### Enrichment

The last enrichment sessions of this term took place yesterday afternoon, the children had lots of fun from making fruit kebabs, learning life-saving CPR skills to toasting marshmallows and making S'mores around the fire. A big thank you to Joanne for coming into school and running the CPR workshop and Jason from Mission Fit for delivering a healthy lifestyle session the previous week!
