

Year Two: Collage

Knowledge Organiser

The Big Idea

Jesse Treece is known for his work which screams of the simple, yet ever complex interpretations of both the mundane and the whimsical facets of life. We can position paper in a collage to create defined areas of the picture, securing them with glue.

tear

Research the Artist

Jesse Treece

Collage Artist

- Based in Seattle, Washington.
- His collages are quite traditional as they are made with scissors, glue, and vintage magazines and books.
- Treece's work borders along the line of science-fiction.
- His collages offer a wide window with a perch to sit on and gaze into an alternate world where everything is inverted in ways unimaginable.

Collage

Paper collage is a technique of art production where the artwork is created using an assemblage of different forms and shapes using paper. These forms and shapes eventually create a whole image.

Types of Glue

- PVA glue can be used on a wide range of surfaces: paper, card, fabric, wood, plaster and much more.
- A glue stick allows you to apply the glue in thin layers which won't crinkle the paper.
