

Enrichment

Subject Leader Report 2024-2025

Subject Leader: Jodie Tyrer

Autumn Term

At Masefield Primary School, Our Enrichment program is planned and delivered by our dedicated and passionate Teaching Assistants. They have provided our children with a wealth of exciting opportunities to engage in activities beyond the traditional curriculum. This term, pupils have participated in activities such as drama, computing, orienteering, forest schools, art, Spanish, board games, and football with Bolton Wanderers in the Community. These activities have been carefully selected to nurture creativity, teamwork, resilience, and a love for learning.

Drama with Mrs Wood- Drama sessions have encouraged pupils to express themselves creatively, enhancing their confidence, communication, and teamwork skills. Through role-playing and storytelling, children have explored new ideas and discovered the joy of performing.

Computing with Mrs Graham- The computing sessions introduced children to essential digital skills, including coding and problem-solving. These engaging activities allowed students to explore technology creatively and build their confidence in using digital tools.

Orienteering with Mrs Lowe- Orienteering combined outdoor exploration with problem-solving and teamwork. Using maps and compasses, pupils enjoyed navigating through challenges, developing their spatial awareness and love for the outdoors.

Forest Schools with Mrs Walton and Mrs Evans-Jones- Forest Schools provided hands-on learning experiences in a natural setting. From den building to wildlife exploration, children developed resilience, collaboration, and practical life skills while fostering a connection with nature.

Art with Mrs Greenhalgh- In art sessions, pupils experimented with various materials and techniques, encouraging self-expression and creativity. These activities not only built confidence but also developed fine motor skills and an appreciation for the visual arts.

Spanish with Senor Saldana- Spanish lessons offered children a fun introduction to a new language and culture. By focusing on vocabulary, simple phrases, and conversational practice, pupils developed an interest in global cultures and a foundation for future language learning.

Board Games with Miss Illingworth- Board game sessions provided a platform for critical thinking, patience, and social interaction. Pupils worked collaboratively or competitively, strengthening their reasoning skills in an enjoyable and relaxed environment.

Enrichment

Subject Leader Report 2024-2025

Football with Bolton Wanderers in the Community with Rob Messina-This term, children had the exciting opportunity to participate in football sessions led by Bolton Wanderers in the Community. These sessions focused on skill development, teamwork, and sportsmanship. Pupils learned valuable lessons about discipline, perseverance, and collaboration while enjoying physical activity and the thrill of the game.

The Enrichment program at Masefield Primary School continues to offer a vibrant and varied range of activities, giving pupils the chance to explore their interests, discover new talents, and develop essential life skills. By participating in these diverse opportunities, children are growing in confidence, creativity, and curiosity, setting the stage for lifelong learning and personal development
