

FRIDAY 28TH FEBRUARY 2020

## Mrs. Behan's thought of the week

What a great start we have had to the first week of term!  
 On Tuesday, KSI had a visit from Mrs. Temel who showed them a huge box of new programmable toys. Isaac and Allyssia represented Masefield in the Little Levers Carnival project this Thursday. They performed for the whole school alongside other children from local schools. We hope you like the new look we have given the entrance area too! Mrs Jolly and Miss Tyrer teamed up and have created a much brighter and more magical area for visitors. Thank you for your continued support.

### P.E Kits

We ask that children have their P.E kits in school every day during term time and that if they need to be washed that this is done over the weekend to avoid children having to borrow spare school kits.

### Entrance Hall

Over the past few weeks, we have been working on improving the entrance hall in school. We have had a fish tank full of beautiful fish installed which the children have been helping to feed and care for and we have also decorated the walls. The main feature is an amazing seasons themed tree.  
 (Hand painted by Mrs Jolly and Miss Tyrer!)  
 All of the children are welcome to contribute to this by designing leaves that we can add to the tree.

### Crucial Crew

On Friday 7th February, Year 6 spent the morning at Crucial Crew learning about how to stay safe outside of school.  
 They had talks from people in the emergency services such as Police, paramedics, RNLI and transport officers.  
 They also had a lesson on internet safety.  
 It was a very interesting morning!
