Whilst there will be no published performance data or league tables for primary schools this year, when compared to 2019 data, (the last published performance data for schools) our school has performed well above other schools in the country. This is an incredible outcome given the disruption to education that has been faced by our children and staff since March 2020.

These results are an absolute testament to our precisely planned Education Recovery Programme and the sheer hard work, commitment and determination of the children and staff – not to mention yourselves as parents and carers.

I would like to congratulate all of the children on their excellent achievements and thank all staff and governors for their dedication to ensuring that all of the children continue to achieve their very best. Thank you also to all parents and carers for your ongoing support of Masefield and commitment to your child's education.

We have limited availability in our Reception class starting in September and in our KS2 classes. If you know of anyone looking to change schools please ask them to contact our school office.

Yours sincerely,

A.Done

Mr A Done
Head of School
