Dear Parents/Carers,

Every school in the UK has been tasked with making uniform more sustainable and affordable for all our parents and careers.

We have carried out a price comparison of our current uniform suppliers against other suppliers in the market and feel our current suppliers still provide uniform at the most affordable price. Please also remember that your child's uniform does not need to have our logo on and we are happy for you to purchase jumpers/Tshirts/bookbags from local suppliers ie supermarkets.

To help make our uniform more sustainable and hopefully avoid it ending up in landfills we will be opening a 'new to you' online uniform shop. This will consist of heavily discounted second hand uniform that has either been donated to school or has been unclaimed from lost property. All uniform sold on the website will be clean and in excellent condition.

We now need your help! Please can any uniform that your child is no longer using be donated to school. This can be clothing, shoes, bags, coats or any item that you think another child would benefit from. The only thing we ask is the donated items are clean and in good condition.

The 'new to you' shop will obviously grow as more items are donated but we hope that by the end of the school year it will be up and running to its full capacity and will become an important assist to everyone in the Masefield community.

Thanks you for your continued support,

Mr A Done
