

Year One: Spring 1

Home Learning Menu

This Home Learning Menu sets out the homework expectations for Year One pupils here at Masefield Primary School.

Reading

Children should read at home 5 times per week and this should be recorded in their reading record.

Every week, children who read at home have a chance to win a book to keep forever!

Maths

Your child can access NumBots to practise number facts using the login details in their reading record.

Spelling

Your child's weekly spellings can be found in their reading record.

Knowledge Organiser

Knowledge Organisers have been sent digitally for this half-term.

Please read these regularly with your child over the half-term so they can recall the key knowledge from each subject.

Practice make Permanent!

Project Tasks

These tasks support the learning taking place across our core and foundation curriculum.

Science

Talk to someone in your family about any adventures or explorers they know about.

Bring in and share what you have learnt!

PSHE

Can you draw a picture of yourself in your dream job and what you would spend my money on?

Art

Paint a beautiful scene using either hot or cold colours.

Please return any home learning projects in time for our home learning showcase on the final Wednesday of this half-term.
